New! Exclusive! **Opening January 2012** **Molly Brown Gallery**

For the first time, an entire gallery will be dedicated to one of *Titanic's* most popular, colorful passengers: Margaret "the Unsinkable Molly" Tobin Brown. You'll see personal possessions, rare never-before-seen Molly Brown photographs, and priceless costumes Debbie Reynolds wore in the 1964 MGM hit movie musical *The Unsinkable Molly Brown*.

The Margaret Brown Collection is made possible through an exclusive arrangement with the Titanic legend's great-granddaughter, Helen Benzinger McKinney.

Exclusive! **National Event Comes to Branson** **Saturday and Sunday, February 4-5** **National Ice Carving Competition**

Titanic Branson will host the National Ice Carving Association's (NICA) 2012 National Ice Carving Competition, an annual two-day, pre-Olympic marathon that pits carvers against each other in a winner-take-all showdown. Contestants will use chainsaws, chisels, blowtorches, and their imaginations, to create masterworks of frozen art. Held in *Titanic's* outdoor exhibit area, the event will be judged by NICA members.

March 2012 **Irish Month at Titanic**

Sure and begorra, 'tis a great day to be Irish. This popular month-long annual event brings out the Irish in everyone who comes aboard. Music, singing, dancing, tall tales and Gaelic humor will rock the boat in joyous celebration of the men, women and country that gave birth to *Titanic*.

Saturday, March 3 **Sweet Treats with Titanic's** **Molly & Carter**

Willy Wonka, eat your heart out. Molly and Carter, our King Charles Spaniel mascots, are throwing a Sweet Treats party at the museum attraction. What a yummy way to scout out *Titanic*—munching cookies and milk or nibbling candy treats and slurping

lemonade. Minding manners is important, too, so our proper tea-serving session is sure to please.

Reservations required. Please call the Girl Scouts of Missouri Heartland Council at (877) 312-4764 ext. 1137.

Thursday, March 22 **Exclusive Visit from Molly** **Brown's Great-granddaughter**

For one day only, Margaret Tobin Brown's great-granddaughter, Helen Benzinger McKinney, will visit the museum attraction to dedicate its new Molly Tobin Brown Gallery. Come meet McKinney and hear the real story of the "Unsinkable Molly Brown."

April 2012 **Titanic Royal Wedding**

Honoring the 12 Honeymooning Couples on *Titanic*. Following in Prince William and Lady Kate's footsteps, one lucky couple will be married April 2012 on the ship's \$1 million Grand Staircase. We'll choose from thousands of contestants who entered the *Titanic* Museum Attraction's Royal Wedding Contest.

Titanic's website (www.titanicbranson.com) visitors have cast their votes for the winning couple. And just like NBC's *Today* Show weddings, web voters will determine the bride's dress, flowers, cake and honeymoon destination.

To arrange your own private wedding on *Titanic's* Grand Staircase, simply call a *Titanic* wedding manager at (800) 381-7670.

One Night Only! **Saturday, April 14, 2012** **A Night to Remember:**
